

New TrapShooters Group at LinkedIn.com

LinkedIn.com members who shoot trap now have a new way to associate with each other. Join the TrapShooters Linked group at <http://www.linkedin.com/e/gis/155473/69F1E7269711> .

Linked TrapShooters is for professionals that share common passion for trap shooting interested in business networking. So connect your linkedin.com professional profile to the TrapShooters group and start doing business with other trapshooters. After all we have to do something to pay for all these targets.
